To Whom It May Concern:

It is my greatest pleasure to give my highest recommendation to artist Don Ross for the wonderful creative experiences he has provided for our students. In fact, he is so popular that we have had him return another year, and will definitely have him again.

Mr. Ross has worked with all first through sixth graders in a school of 320 students with a variety of activities beginning with charcoal drawings up to oil-based paintings. The results from all students are simply amazing. Parents comment on the surprise that their child can produce such an artistic piece. Every student is very proud of their work, including special needs students. Mr. Ross is patient and full of encouragement. The kids love him!

Mr. Ross is highly enthusiastic and genuinely energetic. He is very easy to work with and is highly flexible with staff and locations in which to work. Mr. Ross has also been extremely generous with the costs of his time and supplies. I can tell you, he is worth so much more than he charges. Why does he do this...because he loves kids and thoroughly enjoys what he is doing.

Mr. Ross is also a local artist who is sharing his talents with local students. I have been in education for twenty-eight years and it is a treat to see Mr. Ross in action. If your school or organization can only afford one special artistic talent per year, Mr. Ross is the man you want. I can assure you that you will have no regrets.

I would be more than happy to visit with you about Mr. Ross if you still have reservations or questions you want answered. I can be reached at 541-367-7165. He comes with my highest recommendation.

Most Sincerely,

Keith Winslow
